Kids for Christ for Life ... Forever

Dear Parents,

We are so excited that your child will be attending Awana this year at Christ Community Church. We find it a huge privilege to teach your children and partner with you.

This year we are focusing on encouraging children to complete their handbooks. WHY do we want your child to finish their handbook? Not because the handbook is an Awana handbook, but rather because the handbook contains verses from God's Word. What better "brain material" can we provide our children than that?

If you have any questions throughout the year about Awana or would like to know how we can partner with you please don't hesitate to contact us.

Blessings,

Christy Breit (Awana Commander)

introducing a set of motivational tools and memory skills!

Tools Available to you:

1. **A section-by-section BookWalk through your child's handbook for YOU, the parents.**

This schedule gives you memory tips and reminders of your child's progress so that you can provide some extra incentives or encouragement.

2. **A section-by-section BookWalk through your child's handbook for YOUR CHILD.**

This schedule gives memory tips, encouragement to keep going and even reminders on occasions when the next verse is a review. You can enhance this tool for your kids by reading through it with your younger children and showing interest in your older children's copies.

3. **Monthly pacing calendars** to help you and your child visually chart progress through the handbook.

All of these tools can be given to you by your child's club Director. Children will receive these tools in club to bring home to you.
